GANDHINAGAR INSTITUTE OF TECHNOLOGY   2020-08-01 - 2024-06-01
Full-time Computer Engineering Bachelors   Kalol, Gandhinagar
CGPA: 7.33

EXPERIENCE

TOPS TECHNOLOGIES PVT. LTD. | Data Analytics Intern   Ahmedabad, India | Nov 2024 – Present

- Data cleaning and preparation.
- Conducting exploratory data analysis (EDA).
- Building predictive models or performing statistical analyses.
- Creating dashboards and visualizations to present findings.

TECH ALPHA | Web Developer Intern   Bangalore, India | 2024-06-01 – 2024-09-01

Developed custom HTML and JavaScript for existing websites. Created user interfaces using modern JavaScript frameworks, HTML5, and CSS3. Built interactive prototypes for client presentations using HTML, CSS, JavaScript, and jQuery. Worked on app and website development using the React library.

SKILLS

Programming Languages	PHP, HTML, CSS, JavaScript, Python
Libraries/Frameworks	React, Bootstrap, Python Libraries
Tools / Platforms	GitHub, XAMPP, Excel, PowerBI
Databases	MySQL

PROJECTS / OPEN-SOURCE

ECOMMERCE PRODUCT WEBSITE   HTML, CSS, JavaScript, PHP, MySQL, Bootstrap, XAMPP

Develop a comprehensive eCommerce website featuring a user-friendly frontend and robust backend. The platform will utilize Bootstrap for responsive design, ensuring a seamless experience across devices. Users can browse and view products, create accounts, log in, and make purchases. The interface will be designed with Bootstrap to ensure a modern and responsive design. Built with PHP and MySQL, the backend will manage all product listings and user data.
